Join by Hammel

Come join us! Unfold the table and invite friends and family. With the Join by Hammel table you can easily make room for one more. That is hygge!

The unique Join by Hammel table, has integrated storage of up to 6 leaves. This is a very rare feature, which gives you the opportunity to have a beautiful dining table of 220 cm for everyday life and extend it to 541 cm when you have friends and family over.

Made in Denmark and designed by the Danish design duo Steffensen & Würtz.

Træk bordet ud og inviter venner, familie og bekendte. Med Join by Hammel bordet er der altid plads til én til. Det er hygge!

Som et af de få borde på markedet kan du i Join by Hammel bordet opbevare op til 6 ilægsplader. Det giver mulighed for at have et bord på 220 cm i hverdagen og udvidde det til op til 541 cm, når huset bliver fuld af gæster.

Produceres i Danmark og er designet af den danske designduo Steffensen & Würtz.

Facts & beautiful details

Details

The beautiful rounded detail makes the legs stand out and adds elegant feeling to the table. High quality extension makes it easy to extend the table.

Detaljer

De smukt afrundede ben trækkes med ud, når du gør bordet større. Det giver en elegant afslutning på bordet. Der er anvendt kvalitetsudtræk i bordet, hvilket gør det nemt at trække bordet ud til den længde, du ønsker.
